Dear Bill:

I hate to bother you again concerning this individual but I would like to set up a file, because I agree with you that he should be kept out of the Scouting program.

I am enclosing a Confidential Record Sheet. Do you suppose you could get some information that would tell us his age, color of his hair, his height and weight, or any information that would enable us to identify him?

I really appreciate anything you can do, so that we can close this file.

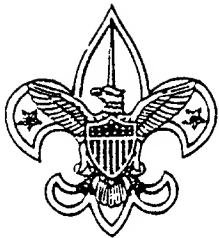

Sincerely,

Paul Ernst, Director

Dear Paul,

This is a follow-up letter in reference to Edwin A. Drzewinski of Clintonville, PA.

I had a long conversation with Reverend Runge of Lamartine, PA who is a Lutheran Pastor. He stated that much of the comments that he made to me about Mr. Drzewinski were hearsay and therefore would not put anything in writing. He told me that at one time Mr. Drzewinski was a Scoutmaster of a Troop in Fox Chapel, PA and again in Slippery Rock, PA in the 1970's and 80's. In both cases he got into sexual activity and caused parents to pull youth out of the troops thereby causing their dropping of the unit. The parents did not pursue any legal action. As a result, this man has had no legal action taken against him.

The Pastor stated to me that Mr. Drzewinski was a storyteller and you never know what to believe of him. Currently he is temporarily living in the Philadelphia area doing something supposedly for the IRS. I have been told he is about 45 years old.

Wish I could have more details for you, PAUL, but that's it. I'm firmly convinced, after the conversation with Pastor Runge (██████████ if you feel you need to talk with him) that Mr. Drzewinski needs to be kept out of the Scouting Program before he does any more damage.

Sincerely,

William J. Moran

Dear Bill:

I would really like to complete the file on the above named individual. Do you feel he should be placed on the Confidential File? If so, we would like to have a Confidential Record Sheet and any substantiation you could give us.

We wondered where the statement came from that he should not be around young people? Did the police report this to you or can you get a statement from some individual.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

Dear Bill:

We received a telephone call in March related to the above named individual. We also wrote to the Allegheny Trails Council to see if they had further information concerning this individual. They indicated they did not know him or have him registered.

If you have further information which would substantiate our refusal of registration, we would certainly like to have this information. I am also enclosing a confidential record sheet which we would like to have completed so we may identify Mr. Drzewinski should he attempt registration in some other area.

Thanks for your help in protecting the youth of America.

Sincerely,

Dear Paul:

In reference to Edward A. Drzewinski, we talked with [REDACTED] who said that he lived in the vicinity of Fox Chapel, Pennsylvania. We have checked all of the units in that area and find that he is not currently registered in any capacity.

The Registration Department has been alerted to inform me if there is any attempt to register him.

Sorry we can't be more helpful, but we will keep you informed if he emerges in the future.

With kindest personal regards.

Most sincerely,

SUBJECT: Edward A. Drzewinski

Dear Ben:

I apologize for not giving you more information concerning the above named individual when I wrote previously. I should have looked more carefully at the notes which we had taken related to this individual.

In March, we received a telephone call from Sandy Allison, in Council No. 532. He indicated that this individual lived at [REDACTED]. He also indicated that his date of birth was January 14, 1939.

He apparently was registered at one time in the Moraine Trails Council, in Troop 50311. The unit he was with there apparently folded soon after he joined the troop.

It was also indicated that he was in your council and was dropped in 1987. Unfortunately, he did not give us a unit number. I don't know if you can get more information if you contact Sandy.

We were given the information that Mr. Drzewinski should not be around young people. I am really groping for more information to determine if this individual should be placed on our confidential file. We would of course need more information if this proved necessary.

Thank you for any help you can give me to make a determination in this situation.

Sincerely,

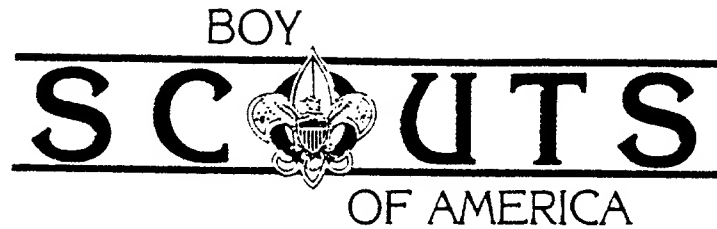

Paul Ernst, Director

In response to your letter of March 20 regarding Edward A. Drzewinski, I am unable to provide you with any information that may be helpful. No one on my staff is familiar with the person nor is he currently registered in Scouting. If you could provide us with a unit number, we could check our historical file.

Dear Ben:

We recently received a telephone call related to the above named individual. I wonder if you can tell us anything about him. Should he be registered with the Boy Scouts of America?

We would like any information you can give us in the way of written statements from individuals or a summary of what you know about this individual that would help us to establish a file, if he should not be registered.

Thanks for your help.
